ABOUT US

Yelo is a growing test engineering company. Established in 1983, we have become a market leader in the development of automated test equipment for the Photonics industry. Our equipment is used in labs throughout the world, by some of the largest corporations and we are continuing to grow our customer base. Our growth has enabled us to build a new state of the art 25,000 sq ft factory in Carrickfergus, Northern Ireland. This facility has; Shower facilities, pool/snooker room, a designated BBQ area and first class engineering facilities.

Employees at Yelo, an important role in keeping the world connected.

WORKING AT YELO

We like our employees to work hard and enjoy coming to work everyday. We have created a fun work environment where everyone feels like one big family. During your break, have a game of Pool or chill with some TV in our brightly coloured canteen. BBQ Fridays - we've become famous for them! Hail, rain or shine, we always put on a tasty BBQ for our employees on the last Friday of every month with plenty of Beef, Chicken and Vegetarian options.
